

Start at step 1 and work your way along to step 10. Ideally you are not moving on to the next step until you have achieved a predictable level of success. Thoughtfully taught foundation behaviors give you a great starting point to refine skills for life.

**My Puppy and I are working on** .....

	<b>Teach</b> • 3 sets of 3 repetitions • Be generous with your reinforcement	<b>Refine</b> • Add Cue • Fade the Lure - NOT the reinforcement • Add Distractions	<b>Notes</b>
<b>Teach the behavior</b>	1	2	
<b>Practice in the house <i>with no distractions</i></b>	3	4	
<b>Practice in the house <i>with distractions</i></b>	5	6	
<b>Practice outside <i>(minimal distractions)</i></b>	7	8	
<b>Practice outside <i>(increased distractions)</i></b>	9	10
